FIRST REGULAR SESSION

Summary Of Legislation Before The Joint Standing and Select Committees
August 1999

We are pleased to provide this summary of all bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 43 proposed to delay the first reporting deadline for the State Compensation Commission to April 15, 1999 and to clarify that the commission is authorized to submit legislation. The bill also proposed to make a technical change in the requirements of the appointment process.

Enacted law summary

Public Law 1999, chapter 2 delayed the first reporting deadline for the State Compensation Commission to April 15, 1999 and clarified the commission's authorization to submit legislation. The bill also deleted a requirement from 3 MRSA section 2-B, subsection 3 that the appointments to the commission be made by the presiding officers no later than 15 days following September 19, 1997. The new appointment requirement merely requires that the presiding officers notify the Executive Director of the Legislative Council once they have appointed the initial four members of the commission.

Chapter 2 was enacted as an emergency measure effective January 14, 1999.
