FIRST REGULAR SESSION

Summary Of Legislation Before The Joint Standing and Select Committees
August 1999

We are pleased to provide this summary of all bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

1. Require law enforcement agencies to publicly auction such firearms each year and to permit them to contract with private entities to conduct these auctions;
2. Eliminate a related provision of current law that permits the retention of firearms for training purposes and the destruction of firearms;
3. Permit law enforcement agencies to retain the proceeds of firearm auctions; and
4. Permit the Attorney General, in accordance with these provisions, to adopt or amend rules pertaining to the sale, use and disposal of firearms and ammunition.

Committee Amendment "A" (H-39) proposed to replace the bill and was the majority report of the Joint Standing Committee on Criminal Justice. The amendment proposed to permit law enforcement agencies to auction abandoned, lost, stolen or forfeited firearms and ammunition to the public. Currently, law enforcement agencies may auction confiscated firearms to federally licensed firearms dealers. The amendment also proposed to add a fiscal note to the bill.
