FIRST REGULAR SESSION

Summary Of Legislation Before The Joint Standing and Select Committees
August 1999

We are pleased to provide this summary of all bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 206 proposed to establish the Maine Tax Filer's Prescription Medication Plan to provide medications to Maine residents at the lowest available prices through direct purchasing by the Department of Human Services.

Committee Amendment "A" (H-493) proposed to replace the bill with a resolve and add an emergency preamble and emergency clause. It proposed to establish the Commission to Study Bulk Purchasing of Prescription Drugs and Medical Supplies, a 16-member commission charged with studying bulk purchasing of prescription drugs and medical supplies and reporting to the Joint Standing Committee on Health and Human Services by December 1, 1999 a plan for bulk purchasing. The amendment also proposed to add an appropriation section.

House Amendment "A" to Committee Amendment "A" (H-613) proposed to reduce the size of the commission to 12 members, change the deadline for the first meeting to July 30, 1999, remove authority to hire consultants and restrict per diem and expense reimbursement to Legislators. The amendment also proposed to change the appropriation accordingly.
