FIRST REGULAR SESSION

Summary Of Legislation Before The Joint Standing and Select Committees
August 1999

We are pleased to provide this summary of all bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

**An Act to Provide State Funding for the Wells National Estuarine
Research Reserve**

INDEF PP

<u>Sponsor(s)</u> MACKINNON MACDOUGALL	<u>Committee Report</u> OTP-AM	<u>Amendments Adopted</u>
--	-----------------------------------	---------------------------

LD 171 proposed to appropriate \$300,000 to the Department of Conservation in each of fiscal years 1999-00 and 2000-01. These funds would be provided as grants to the Wells National Estuarine Research Reserve to ensure that the reserve has the necessary operating funds to continue with its research and educational programs. This state funding would serve as the match for certain private and federal grants.

Committee Amendment "A" (S-166) proposed to appropriate the \$300,000 in each of fiscal years 1999-00 and 2000-01 to the Wells National Estuarine Research Reserve Management Authority instead of to the Department of Conservation. This amendment also proposed to add a fiscal note to the bill. Committee Amendment "A" was not adopted.
