**FIRST REGULAR SESSION**

**Summary Of Legislation Before The Joint Standing and Select Committees**  
**August 1999**

We are pleased to provide this summary of all bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

**ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
POVICH	ONTP	

LD 366 proposed to delay the application of a law that governs the repair of private roads. Public Laws of 1997, chapter 682 did not take effect until July 1, 1999, except for road associations incorporated as of March 1, 1998 that were authorized to utilize the process established under chapter 682.

LD 383 proposed to require the Legislature’s approval by a two-thirds majority to leasing of public land to the Federal Government, which now requires only the consent of the Governor and the Commissioner of Conservation.

**Committee Amendment "A" (H-35)**, which was not adopted, proposed to clarify the bill by stating that the Legislature must approve the leasing of designated lands to the Federal Government by a two-thirds vote.
