**FIRST REGULAR SESSION**

**Summary Of Legislation Before The Joint Standing and Select Committees**  
**August 1999**

We are pleased to provide this summary of all bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

LD 405 proposed to require the State to comply with the Adoption Assistance and Child Welfare Act of 1980, as amended, especially with regard to the placement of children in foster care with relatives. It also proposed that the Department of Human Services to report to the Joint Standing Committee on Judiciary by December 15, 1999 on compliance with that Act.

**Committee Amendment "A" (H-440)** proposed to correct the title of the bill, as well as change the charge to the Department of Human Services to direct the department to comply with specific federal laws concerning child protective services programs and state responsibilities. It requires the department to report back to the Joint Standing Committee on Judiciary by December 15, 1999 on the status of the State's compliance with the federal law. As proposed, the report must provide information specifically about the State's actions with regard to the reasonable efforts requirement concerning keeping families intact rather than removing children from the home.

*Enacted law summary*

Private and Special Law 1999, chapter 26 directs the Department of Human Services to comply with specific federal laws concerning child protective services programs and state responsibilities.
