ONE HUNDRED NINETEENTH LEGISLATURE
FIRST REGULAR SESSION

Summary Of Legislation Before The Joint Standing and Select Committees
August 1999

We are pleased to provide this summary of all bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 496 proposed to abrogate the rule against perpetuities for property interests created by instruments taking effect after the effective date of the bill. The rule against perpetuities is a common law rule that prohibits the creation of a property interest that vests farther in the future than the rule allows.

Committee Amendment "A" (H-636) proposed to replace the bill. It proposed to exempt a trust from the rule against perpetuities if the instrument creating the trust specifies that the rule does not apply and the instrument gives a trustee or other person power to sell, lease or mortgage the trust property after the time when the interest would have been required by the rule against perpetuities to vest.

Enacted law summary

Public Law 1999, chapter 391 provides that a trust is exempt from the rule against perpetuities if the instrument creating the trust specifies that the rule does not apply and the instrument gives a trustee or other person power to sell, lease or mortgage the trust property after the time when the interest would have been required to vest in order to be valid under the rule against perpetuities. The law applies to trusts created after September 18, 1999, the effective date of chapter 391.

-------------------	--	-----------------------------------	--	------------------------------------

LD 523 proposed to ensure that Indian children placed in foster homes are eligible for benefits and reimbursement available under any state or federally funded program administered for the benefit of Maine children.

Committee Amendment "A" (H-658) proposed to correct Maine's foster care licensing and funding statutes to recognize the authority of the Maine Indian tribes under the federal Indian Child Welfare Act.

Enacted law summary

Public Law 1999, chapter 392 corrects Maine's foster care licensing and funding statutes to recognize the authority of the Maine Indian tribes under the federal Indian Child Welfare Act. Chapter 392 makes clear that Indian children in the custody of Maine Indian tribes under the Indian Child Welfare Act are fully eligible, as Maine children, for all state and federally funded foster care programs administered by the State. It also recognizes Indian foster family homes licensed or approved under the Indian Child Welfare Act as an exception to the general requirement of state licensing for foster care placements and funding when Indian children are involved.
