Summary Of Legislation Before The Joint Standing and Select Committees
August 1999

We are pleased to provide this summary of all bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

OTP-AMAmendments Adopted
H-398

LD 732 proposed to require persons who provide funeral services or supplies to disclose the ownership of the funeral establishment and all of the options in services and supplies available for burial or cremation and to disclose the necessity and cost of each option.

Committee Amendment "A" (H-398) replaced the bill and proposed to require funeral establishments to disclose the ownership of the funeral establishment and whether rental caskets are offered. This amendment also clarified that these disclosures supplement the disclosures required by Federal Trade Commission regulations. This amendment also added an allocation section and a fiscal note.

Enacted law summary

Public Law 1999, chapter 282 requires funeral establishments to disclose the ownership of the funeral establishment on all contracts or agreements for the provision of funeral services or supplies. The law also requires funeral establishments to disclose on its price lists either that rental caskets are offered and the cost of rental or that rental caskets are not offered. These disclosures supplement disclosures required by the Federal Trade Commission.
