**FIRST REGULAR SESSION**

**Summary Of Legislation Before The Joint Standing and Select Committees**  
**August 1999**

We are pleased to provide this summary of all bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

**ONTP**

		ONTP		

LD 1015 proposed to implement the recommendations of the Joint Select Commission to Study the Opening of a Discount State Liquor Store in Fort Kent. The study recommends that the State not open a discount store in Fort Kent. The select commission also recommends that the decision to open the discount store in Calais be reevaluated. This resolve proposed to direct the Bureau of Alcoholic Beverages and Lottery Operations to provide information to the Joint Standing Committee on Legal and Veterans Affairs on two issues relating to liquor sales: First, information relevant to determining whether to continue operating the discount state liquor store in Calais and secondly, information on possible changes in liquor pricing to enable agency liquor stores to increase their profits.
