**SECOND REGULAR SESSION**

**Summary Of Legislation Before The Joint Standing Committees**  
**July 2000**

We are pleased to provide this summary of bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

**Committee Amendment "A" (H-886)** replaces the resolve. The amendment requires the Commissioner of Inland Fisheries and Wildlife to comprehensively review the issue of expanding hunting and fishing opportunities to disabled persons and to report the findings and recommendations to the Joint Standing Committee on Inland Fisheries and Wildlife by January 1, 2001. The report must include a review of the department's current authority to issue unconventional or special privilege licenses for any type of disability, including temporary disabilities, and the criteria and standards used by the Department of Inland Fisheries and Wildlife to determine eligibility for such licenses. The report must also include recommendations for improving the promotion of hunting and fishing opportunities in the State to the disabled community, on the use of special or group hunts or special seasons for the disabled, on allowing another person to assist a disabled person to hunt or fish and on methods to address any safety issues that may be associated with hunting or fishing by disabled persons.
