FIRST REGULAR SESSION

Summary Of Legislation Before The Joint Standing and Select Committees
August 1999

We are pleased to provide this summary of all bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

<u>Sponsor(s)</u> GOLDTHWAIT		<u>Committee Report</u> OTP-AM		<u>Amendments Adopted</u> S-114

LD 1171 proposed to increase seaweed permit fees and to establish the Seaweed Management Fund to be used to research and manage seaweed resources and to enforce laws and rules related to seaweed. The bill also proposed to authorize the Commissioner of Marine Resources to adopt rules regulating the harvest of seaweed.

Committee Amendment "A" (S-114) proposed to adjust the seaweed permit fees proposed in the bill by setting a lower fee for the resident seaweed permit and higher fees for the nonresident seaweed permit and the supplemental seaweed permit and establishing a nonresident supplemental seaweed permit. The amendment proposed to strike shipping and selling from the list of activities that may be undertaken with a supplemental seaweed permit. It also proposed to specify that the Commissioner of Marine Resources shall use the Seaweed Management Fund in accordance with an annual plan for expenditures.

The amendment proposed to clarify that the commissioner may adopt rules regulating the harvest of seaweed on a species-specific basis.

The amendment proposed to require the Commissioner of Marine Resources to submit a report by December 31, 1999 to the Joint Standing Committee on Marine Resources regarding seaweed permits and the Seaweed Management Fund. It also proposed to authorize the Joint Standing Committee on Marine Resources to report out legislation regarding seaweed permits and the Seaweed Management Fund to the Second Regular Session of the 119th Legislature.
