FIRST REGULAR SESSION

Summary Of Legislation Before The Joint Standing and Select Committees
August 1999

We are pleased to provide this summary of all bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 1202 **An Act to Ensure Just Sentences** **CARRIED OVER**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MILLS		

LD 1202 proposes to amend the mandatory minimum sentence for the crime of murder to accommodate the substantial reduction in earned good time and meritorious good time effective October 1, 1995. The 1995 amendment required that the parties and the sentencing courts adjust their sentencing recommendations and practices to accommodate the increase in the actual period of incarceration resulting from the significant decrease in good time. In the case of 25-year minimum sentences, such an adjustment is not possible. This bill proposes to partially address this inequity by reducing the minimum mandatory sentence to 20 years.

LD 1202 proposes to provide a "safety valve" for sentencing courts in cases where a mandatory minimum sentence would result in substantial injustice and a frustration of the general purposes of sentencing as outlined in the Maine Criminal Code. The bill proposes to allow the court to take into consideration documented evidence of severe hardship to the offender as well as the wishes of the victim.

Finally, LD 1202 proposes to remove mandatory minimum sentences for the crime of aggravated trafficking or furnishing scheduled drugs.

This bill has been carried over to the Second Regular Session.

LD 1220 **An Act to Provide for Resident State Police Officers for Municipalities Without a Police Force** **PUBLIC 119**

CLARK	OTP-AM	H-153
