ONE HUNDRED NINETEENTH LEGISLATURE
FIRST REGULAR SESSION

Summary Of Legislation Before The Joint Standing and Select Committees
August 1999

We are pleased to provide this summary of all bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Final action on each bill is noted to the right of the bill title. The abbreviations used for various categories of final action are as follows:

LD 1200 proposed to require the State to supply to municipal agents any equipment that the State requires municipal agents to use in the performance of their duties as vehicle registration agents.

Committee Amendment "A" (S-134), which was not adopted, proposed to amend the bill by requiring the Secretary of State to provide a maximum of one validation stamp to each municipal agent every two years. If the State changes the official validation stamp, the Secretary of State would have to provide each municipal agent with one new validation stamp. It also proposed to add an allocation section to the bill.

LD 1222 An Act to Change the Budget Approval Procedures for Somerset County ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
TESSIER RAND	ONTP	

LD 1222 proposed to require a majority of elected voting members of the Somerset County Budget Advisory Committee to be present to constitute a quorum. This bill also would have amended current law to give the Somerset County Commissioners final say on the Somerset County budget.

LD 1227 Resolve, Regarding State Mandates Imposed Before Approval of the ONTP
Constitutional Amendment Governing State Mandates

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
PERKINS	ONTP	

LD 1227 proposed to expand the identification of unfunded mandates passed by the Legislature. The voters approved an amendment to the Constitution of Maine, effective November 23, 1992, that prohibited the imposition of mandates on local units of government unless enacted by a two-thirds vote of the Legislature or unless at least 90% funding is provided by the State. This resolve proposed to require the Legislative Council to identify any unfunded mandates passed in the biennium before the Constitutional Amendment went into effect and to apply the provisions of the amendment to those mandates as well.

LD 1231 An Act to Allow Special-use Access over Discontinued Municipal and ONTP
County Roads

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
GOOLEY KIEFFER	ONTP	

LD 1231 proposed to permit a person to transport timber over a discontinued municipal or county road if the timber was cut on property owned by that person and a public easement existed in the discontinued road. It also would have permitted the person to clear obstructions from the discontinued road and to improve the road's condition to allow safe travel.
