ONE HUNDRED NINETEENTH LEGISLATURE
FIRST REGULAR SESSION

Summary Of Legislation Before The Joint Standing and Select Committees
August 1999

We are pleased to provide this summary of all bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Final action on each bill is noted to the right of the bill title. The abbreviations used for various categories of final action are as follows:

ENACTMENT FAILED..... Bill failed to get vote required for enactment or final passage
NOT PROPERLY BEFORE THE BODY..... Ruled out of order by the presiding officers; bill died
INDEF PP.....Bill Indefinitely Postponed
ONTP..... Ought Not To Pass report accepted
OTP ND..... Committee report Ought To Pass In New Draft
OTP ND/NT..... Committee report Ought To Pass In New Draft/New Title
P&S XXX..... Chapter # of enacted Private & Special Law
PUBLIC XXX..... Chapter # of enacted Public Law
RESOLVE XXX..... Chapter # of finally passed Resolve
UNSIGNED.....Bill held by Governor
VETO SUSTAINED.....Legislature failed to override Governor's Veto

Please note the effective date for all non-emergency legislation enacted in the First Regular Session (unless otherwise specified in a particular law) is September 18, 1999.

Enacted law summary

Public Law 1999, chapter 501 increases seaweed permit fees and establishes a new nonresident supplemental seaweed permit. The law also establishes the Seaweed Management Fund to be used to research and manage seaweed resources and to enforce laws and rules related to seaweed. The law authorizes the Commissioner of Marine Resources to adopt rules regulating the harvest of seaweed on a species-specific basis. It also requires the Commissioner of Marine Resources to submit a report by December 31, 1999 regarding seaweed permits and the Seaweed Management Fund and authorizes the Joint Standing Committee on Marine Resources to report out legislation regarding seaweed permits and the Seaweed Management Fund to the Second Regular Session of the 119th Legislature.

LD 1173

An Act Regarding Elver Fishing

ONTP

| <u>Sponsor(s)</u> PERKINS | | <u>Committee Report</u> ONTP | | <u>Amendments Adopted</u> |
|------------------------------|--|---------------------------------|--|---------------------------|

LD 1173 proposed to require the Commissioner of Marine Resources to classify elver fishing rivers, brooks and streams as Class I, Class II or Class III elver waters, based on the flow volume of the watercourse. Elver harvesting on Class I and Class II rivers would be limited to dip nets. Municipalities would be able to petition the commissioner to close elver fishing on Class I waters. Elvers could be harvested on Class III waters with elver fyke nets, Sheldon eel traps and dip nets and harvesting on Class III waters would alternate banks each year. The bill proposed to establish separate elver fishing licenses for Class I, Class II and Class III waters.

The bill also proposed to require the Commissioner of Marine Resources to determine the number of dip net licenses that could be issued annually under the licenses for Class I, Class II and Class III waters. If the number of dip net license applications for a license category exceeded the number of license openings for that category, the commissioner would be required to hold a lottery to determine who would obtain a license in that category. A person issued a dip net license could utilize only one dip net.

The bill proposed to require the Commissioner of Marine Resources to establish elver fyke net sites in Class III waters. If more than one person chose a particular site, their names would be entered into a general lottery for elver fyke net sites. A person issued a Class III license could use only two elver fyke nets, two Sheldon eel traps or one elver fyke net and one Sheldon eel trap.

LD 1288

An Act to Establish a Lobster License for 30-year Residents of the State Who are 65 Years of Age or Older

ONTP

|------------------------------|--|---------------------------------|--|---------------------------|
| <u>Sponsor(s)</u> GOODWIN | | <u>Committee Report</u> ONTP | | <u>Amendments Adopted</u> |
|------------------------------|--|---------------------------------|--|---------------------------|

LD 1288 proposed to establish a lobster and crab fishing license for residents 65 years of age or older who, at the time of application, had been full-time residents of the State for each of the previous 30 years. The holder of a 30-year resident license would be authorized to fish up to 150 lobster traps.
