ONE HUNDRED NINETEENTH LEGISLATURE
SECOND REGULAR SESSION

Summary Of Legislation Before The Joint Standing Committees
July 2000

We are pleased to provide this summary of bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 1358 proposed that the terms and conditions of an expired collective bargaining agreement remain in effect until a new contract is executed.

Committee Amendment "A" (H-433) proposed to replace the bill with language providing that the grievance arbitration provisions of a collective bargaining agreement continue after expiration of the agreement. In interpreting the contract after expiration, the amendment proposed that the arbitrator make decisions consistent with the Maine Labor Relations Board standard for maintaining the status quo after expiration of a contract.
