FIRST REGULAR SESSION

Summary Of Legislation Before The Joint Standing and Select Committees
August 1999

We are pleased to provide this summary of all bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 1359 proposed to amend the unemployment compensation laws to provide access to unemployment compensation benefits for seasonal workers, persons who must restrict their work hours to part-time for good cause, and to persons who leave work because of lack of child care or transportation. It also proposed to increase the taxable wage base to \$16,000 and to adopt an array system to distribute tax rates among employers and to address the system's solvency problems.

LD 1376 **An Act to Expand the Uniform 1998 Special Retirement Plan to Include Baxter State Park Authority Rangers, Fire Marshals and Certain Additional Correctional Employees** **PUBLIC 493**

MCALEVEY PENDLETON	OTP-AM	H-687

LD 1376 proposed to amend the 1998 Special Plan under the Maine State Retirement System to include any employee of the Department of Corrections who is employed in a correctional facility or whose duties involve contact with prisoners, probationers, parolees or juveniles.

Committee Amendment "A" (H-687) proposed to replace the bill and extend coverage of the 1998 Special Retirement Plan. Like the bill, the amendment proposed providing coverage under the special plan for Department of Corrections employees working inside correctional facilities other than the Maine State Prison, departmental employees working outside correctional facilities having contact with prisoners, parolees, probationers and juvenile offenders, and employees of the department supervising such employees. The amendment also proposed extending special plan coverage to Baxter State Park Authority rangers, the State Fire Marshal, fire marshal inspectors and fire marshal investigators. (Both of these changes were the result of proposals in other bills--LD 1747 for fire marshals and LD 1165 for BSPA rangers.) All of the changes provided in the amendment would begin January 1, 2000.

Enacted law summary

Public Law 1999, chapter 493 extends eligibility for coverage by the 1998 Special Plan under the Maine State Retirement System to Department of Corrections employees working inside correctional facilities other than the Maine State Prison, departmental employees working outside correctional facilities having contact with prisoners, parolees, probationers and juvenile offenders, and employees of the department supervising such employees. Chapter 493 also extends special plan coverage to Baxter State Park Authority rangers, the State Fire Marshal, fire marshal inspectors and fire marshal investigators.
