**FIRST REGULAR SESSION**

**Summary Of Legislation Before The Joint Standing and Select Committees**  
**August 1999**

We are pleased to provide this summary of all bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

**An Act to Add Members to the Maine Turnpike Authority**

**PUBLIC 177**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
LEMOINE PENDLETON	OTP-AM	H-238

LD 1429 proposed to increase the membership of the Maine Turnpike Authority to include two members appointed by the President of the Senate and two members appointed by the Speaker of the House and to make the Public Advocate an ex officio member of the Authority.

**Committee Amendment "A" (H-238)** proposed to replace the bill and to increase the membership of the Maine Turnpike Authority from five to seven members by creating a sixth membership position on August 1, 2000 and a seventh membership position on August 1, 2002. The new members would be appointed in the same manner provided by current law. After August 1, 2002, the quorum of the authority be increased from three to 4 members and that the Governor be required after that date to ensure that the authority includes one person who is a resident from each of the counties in which the turnpike is located and who is named by the Governor as that county's representative on the authority. The amendment also proposed that the term of a member who is named as a representative from one of those counties terminates when that person's residency changes to another county.
