**FIRST REGULAR SESSION**

**Summary Of Legislation Before The Joint Standing and Select Committees**  
**August 1999**

We are pleased to provide this summary of all bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

**ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
HEIDRICH	ONTP	

LD 1392 proposed to require an insurance company to notify the Secretary of State within 30 days after the cancellation of an automobile insurance policy that was maintained to meet the requirements of the financial responsibility law. The Secretary of State would have then requested proof of financial responsibility from the former policyholder and, if proof was not given, the Secretary of State would have notified the local law enforcement agency of the noncompliance and the law enforcement agency would have removed the registration plates from the uninsured motor vehicle. Upon notification that financial responsibility had been met, the Secretary of State would have returned the registration plates to the owner.

LD 1434 proposed to make various technical corrections and amendments to consumer credit and collection law. Further, the bill proposed to amend the Fair Credit Reporting Act to correct and clarify the text of a statutory provision and amended a subsection headnote. Finally, the bill proposed to amend the Maine Fair Debt Collection Practices Act to correct a statutory reference and to provide for the licensing of branch offices of collection agencies.
