ONE HUNDRED NINETEENTH LEGISLATURE
FIRST REGULAR SESSION

Summary Of Legislation Before The Joint Standing and Select Committees
August 1999

We are pleased to provide this summary of all bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 1448

An Act to Eliminate the Legislative Retirement System

ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
HARRIMAN	ONTP MAJ OTP-AM MIN	

LD 1448 proposed to eliminate the Maine Legislative Retirement System for legislators who are not vested on December 31, 1999. After that date, current Legislators who were not vested would not remain members of the system and future Legislators would have been required to join either a 401(a) defined contribution plan or a 457 deferred compensation plan or both. The plans were to be administrated by the Maine State Retirement System. The bill proposed that legislators contribute at least 7.5% of their compensation to one of the plans; additional contributions above that level would be subject to federal law. The State would have been required to contribute to the plans on behalf of Legislators at the same rate as Legislators up to the contribution rate for employers under the United States Social Security Act. Any gains realized by the Maine State Retirement System as a result of this bill were to be used to reduce the unfunded liability of the Maine State Retirement System attributable to state employees and teachers.
