ONE HUNDRED NINETEENTH LEGISLATURE
FIRST REGULAR SESSION

Summary Of Legislation Before The Joint Standing and Select Committees
August 1999

We are pleased to provide this summary of all bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

The amendment also proposed that these changes do not affect the appointment or term of any member of the turnpike authority appointed prior to the effective date of this legislation. The amendment also proposed to add a fiscal note to the bill.

Enacted law summary

Public Law 1999, chapter 177 increases the membership of the Maine Turnpike Authority from five to seven members by creating a sixth membership position on August 1, 2000 and a seventh membership position on August 1, 2002. The new members are appointed in the same manner provided by current law. After August 1, 2002, the quorum of the authority is increased from three to 4 members and the Governor is required after that date to ensure that the authority includes one person who is a resident from each of the counties in which the turnpike is located and who is named by the Governor as that county's representative on the authority. The law also provides that the term of a member who is named as a representative from one of those counties terminates when that person's residency changes to another county.

The law also states that these changes do not affect the appointment or term of any member of the turnpike authority appointed prior to the effective date of this legislation.
