Summary Of Legislation Before The Joint Standing and Select Committees
August 1999

We are pleased to provide this summary of all bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 1541

NORBERT PINGREE	ONTP	

LD 1541 proposed to amend the continuity of health insurance coverage laws to extend continuity of coverage to students covered under college-sponsored health plans.

LD 1546

An Act to Encourage Payment of Certain Workers' Compensation Premiums Owed to a Previous Insurer

PUBLIC 121

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
SAXL J	OTP	

LD 1546 proposed to provide that workers' compensation insurance coverage issued to an employer may not be continued unless the employer pays any undisputed premiums or assessments to a previous workers' compensation insurer. The bill proposed that if a premium or assessment is subject to a good faith dispute at the time of termination of a policy or if such a dispute becomes known as a result of a post-termination audit review or other reason after replacement coverage has been issued and if the premium or assessment remains unpaid upon resolution of the dispute by the Bureau of Insurance, this replacement coverage must be canceled. Current law requires that a new policy not be issued if an undisputed premium is owed to a prior carrier.

Enacted law summary

Public Law 1999, chapter 121 requires that workers' compensation insurance coverage issued to an employer not be continued unless the employer pays any undisputed premiums or assessments to a previous workers' compensation insurer. It requires that if a premium or assessment is subject to a good faith dispute and if the premium or assessment remains unpaid upon resolution of the dispute by the Bureau of Insurance, then the replacement coverage must be canceled.
