ONE HUNDRED NINETEENTH LEGISLATURE
FIRST REGULAR SESSION

Summary Of Legislation Before The Joint Standing and Select Committees
August 1999

We are pleased to provide this summary of all bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 1512 proposed to expand the family and medical leave law to allow parents to take leave from work to care for a child with a bona fide medical problem, to attend a child's medical and dental appointments and to attend parent-teacher conferences.

Committee Amendment "A" (S-217) proposed to add an appropriation section and a fiscal note to the bill.

House Amendment "A" (H-576) proposed to remove language allowing leave to an employee for a child with a bona fide medical problem. It also proposed to limit an employee to no more than 24 hours of family medical leave in each calendar year for attending necessary medical and dental appointments of a child and no more than 24 hours of family medical leave in each calendar year for attending parent-teacher conferences in a child's school.

Senate Amendment "B" to House Amendment "A" (S-323) proposed to limit to not more than a total of 24 hours annually the family medical leave available for attending necessary medical and dental appointments of a child and for attending parent-teacher conferences in a child's school. It also proposed to clarify that the 30 days' notice of the intended date upon which family medical leave will commence for attending necessary medical and dental appointments of a child or for attending parent-teacher conferences in a child's school is not necessary if the notice could not reasonably be provided within the 30 days.
