**FIRST REGULAR SESSION**

**Summary Of Legislation Before The Joint Standing and Select Committees**  
**August 1999**

We are pleased to provide this summary of all bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

**LD 1616**

**An Act Regarding the Calculation of Maine State Retirement System Benefits**

**ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
PARADIS	ONTP	

LD 1616 proposed that the retirement system use a member's fourth highest year of compensation regardless of when it occurred as the base year in determining whether the 5% and 10% caps on earnings in the last 3 years have been exceeded rather than the year prior to the third highest year. The bill also proposed that in the case of a retiree who exercised a benefit payment option calling for a reduced benefit during the member's lifetime in return for continued payment of a benefit to a designated beneficiary after the retiree's death, the retirement benefit of the retiree must be recalculated if the beneficiary dies before the retiree. Retroactive to July 1, 1996, the retiree's benefit would be recalculated as if the option of full benefit payment had been selected.

**LD 1622**

**An Act to Restore the Cost-of-living Adjustment for State Employees and Teachers Who Retire Before Normal Retirement Age**

**ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
SULLIVAN	ONTP	

LD 1622 proposed to reinstate the cost-of-living adjustment for retirement system members who retire before normal retirement age. Awarding of a COLA was delayed until a retiree reaches normal retirement age by the changes in the retirement plan enacted in 1993. See also LD's 380 and 847.

**LD 1629**

**An Act to Ensure That Sales Free and Clear of Liens Through Bankruptcy Do Not Result in the Acquisition of a Predecessor Employer's Experience for the Purpose of Contribution Rate Determination**

**PUBLIC 191**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MITCHELL B POVICH	OTP-AM	S-139

LD 1629 proposed that an employer who purchases a business free and clear of liens through bankruptcy does not acquire the payroll record and experience rating records of that employer for purposes of determining contributions to the Unemployment Compensation Fund.

**Committee Amendment "A" (S-139)** proposed that a successor employer who takes over a business after bankruptcy does not acquire the contribution rate of the predecessor employer if the business was purchased free and clear of liens and the business contribution rate was higher than the state average. In such a case, the amendment proposed that the successor employer be assigned the state average contribution rate.

*Enacted law summary*

Public Law 1999, chapter 191 provides that a successor employer is assigned the state average contribution rate for purposes of determining the contribution to the Unemployment Compensation Fund if the successor employer purchases
