ONE HUNDRED NINETEENTH LEGISLATURE
SECOND REGULAR SESSION

Summary Of Legislation Before The Joint Standing Committees
July 2000

We are pleased to provide this summary of bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Final action on each bill is noted to the right of the bill title. The abbreviations used for various categories of final action are as follows:

CON RES XXX..... Chapter # of Constitutional Resolution passed by both Houses
CONF CMTE UNABLE TO AGREE..... Committee of Conference unable to agree; bill died

LD 1619, which was carried over from the First Regular Session, proposed to establish a "Patients' Bill of Rights" for Maine residents enrolled in HMO's and other health plans. The bill proposed to:

1. Ensure access to obstetrical and gynecological care;
2. Ensure access to specialty care for seriously ill patients;
3. Ensure continuity of care when a physician is dropped from a health plan;
4. Ensure access to prescription drugs;
5. Ensure access to clinical trials;
6. Provide patients with access to an independent external review of decisions regarding health care coverage and services;
7. Prohibit offering financial incentives to providers to limit necessary and appropriate medical care;
8. Establish an independent consumer assistance program to provide assistance and advocacy services to patients in selecting a health insurance plan, utilizing the plan and filing grievances and appeals of plan decisions;
9. Provide patients with the right to sue their health plan if the plan's failure to exercise ordinary care in making treatment decisions causes an injury to a patient; and
10. Require health plans to disclose information about their costs, benefits and performance.
