**FIRST REGULAR SESSION**

**Summary Of Legislation Before The Joint Standing and Select Committees**  
**August 1999**

We are pleased to provide this summary of all bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

<u>Sponsor(s)</u> CAMPBELL	<u>Committee Report</u> OTP-AM	<u>Amendments Adopted</u> H-409
-------------------------------	-----------------------------------	------------------------------------

LD 1694 proposed to grant equal rights to the Brewer Historical Society and the Bangor Historical Society to salvage Revolutionary War vessels submerged in the Penobscot River.

**Committee Amendment "A" (H-409)** proposed to amend the original resolve to require that the Maine State Museum and the Maine Historic Preservation Commission include, consult and involve the historical societies of Brewer and Bangor and other communities located along the banks of the Penobscot River in the salvage and local display of Revolutionary War-era artifacts submerged in the Penobscot River. The amendment also would add a requirement that any study of the salvage of Penobscot Expedition artifacts from the Penobscot River encourage a variety of public and private funding sources for any recovery project or local display effort. It proposed to delete from the original resolve the granting of the salvage rights to the Brewer and Bangor historical societies.

***Enacted law summary***

Resolve 1999, chapter 45 directs the Maine State Museum and the Maine Historic Preservation Commission to include, consult and involve the historical societies of Brewer and Bangor and other communities located along the Penobscot River in the salvage and display of Revolutionary War-Era artifacts submerged in the Penobscot River. The law also requires that any study of the salvage of the Penobscot Expedition artifacts encourage a variety of public and private funding sources for any recovery project or effort to locally display such artifacts. Resolve, 1999, Chapter 45 also reconfirms that the State retains salvage rights for such artifacts.

Chapter 45 was enacted as an emergency measure effective May 21, 1999.
