FIRST REGULAR SESSION

Summary Of Legislation Before The Joint Standing and Select Committees
August 1999

We are pleased to provide this summary of all bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 1844 proposed requiring a person or organization donating land to the State to provide for the future maintenance and upkeep of the land. If the provisions for the future maintenance and upkeep of the land were not adequate at the time of the proposed transfer, the bill proposed that the State or its designated agency be prohibited from accepting the donation.

ONTP

COWGER	ONTP MAJ	
PINGREE	OTP-AM MIN	

LD 1868 proposed creating the Maine Woods Act and establishing the Maine Woods Board as a public instrumentality of the State. The board's central duties would have been to support sustainable forestry and provide public access and recreational opportunities through the acquisition and maintenance of forest lands. The bill proposed independent bonding authority to support the Maine Woods Fund, as established in this bill.

Committee Amendment "A" (H-554) was the minority report. It would have required the deed for all lands acquired under the Maine Woods Act to contain a clause specifying that the land be used for timber harvesting and management. It also proposed striking out the provisions in the bill regarding eminent domain. The minority report was not accepted.
