MEMORANDUM

To: Members, Joint Standing Committee on Taxation
From: Julie S. Jones, Legislative Analyst
Date: August, 1999
Re: Bill Summaries, 119th Legislature, 1st Regular Session

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the Joint Standing Committee on Taxation during the 1st Regular Session of the 119th Legislature. The summary describes each bill or order and relevant amendments as well as the final action. Also included is a statistical summary of bill activity by the committee. Please note the effective date for all non-emergency legislation enacted in the 1st Regular Session (unless a later date is specified in a particular law) is September 18, 1999. Joint orders are effective when passed.

The document is organized for convenient reference to information on bills handled by the committee this session. It is organized by bill (LD) number and two indices are located at the back of the document that group bills by subject and by LD number. Final action on each bill is noted to the right of the bill title. The abbreviations used for various categories of final action are as follows:

Amendments Adopted

LD 1866 proposed to establish specific criteria for forest management plans that are necessary to qualify for tree growth classification under the Maine Tree Growth Tax Law. These criteria were intended to ensure timber stand maintenance or improvement for sustained yield. This bill proposed to require the Maine Forest Service to conduct periodic, random audits to determine compliance with the plans and to report the results to the State Tax Assessor.

LD 1872

An Act to Establish Municipal Cost Components for Unorganized Territory Services to be Rendered in Fiscal Year 1999-00

Amendments Adopted

H-386
H-545 GAGNON
S-255 GOLDTHWAIT

LD 1872 proposed to establish municipal cost components for state and county services provided to the unorganized territory that would be paid for by a municipality. The municipal cost components constitute the property tax for the unorganized territory.

Committee Amendment "A" (H-386) proposed to increase the amount authorized for property tax assessment to provide for the possible deorganization of the Town of Madrid. The amendment also proposed to decrease the amount authorized for Hancock County to reflect the availability of surplus funds and increase the amount authorized for Somerset County to provide for the acquisition of a fire truck.

House Amendment "A" (H-545) proposed to provide that the Somerset County commissioners may not spend more than \$100,000 from amounts made available by this bill for the acquisition of a fire truck for Rockwood.

Senate Amendment "A" to Committee Amendment "A" (S-255) proposed to increase the amount of county reimbursement for services for Hancock County from \$46,136 to \$51,136. The increase of \$5,000 would be used for the Eagle Island ferry service.

Enacted law summary

Private and Special Law 1999, chapter 25 established the municipal cost components for state and county services provided to the unorganized territory that would be paid for by a municipality. A clerical error in the amount identified for "Property Tax Assessment - Operations" was corrected in Public Law 1999, chapter 510. Chapter 25 was an emergency measure and took effect May 21, 1999.
