Committee Report
ONTP

Amendments Adopted

LD 2024 was carried over from the First Regular Session. The bill proposed to allow municipalities to adopt a local option tax at a rate not to exceed 2% on liquor, meals and lodging that are provided within the municipal corporate limits. The voters of the town would be required to approve this local tax at a local referendum, unless the municipality has a charter that allows the issuance of municipal bonds without a referendum vote. The tax would apply to the same sales to which the state sales and use tax currently applies. The tax would be administered by the State and revenues less administrative costs would be returned to the municipality where collected. The additional revenue raised by the local option tax would be used by the municipality only to finance specifically approved major capital projects.
