ONE HUNDRED NINETEENTH LEGISLATURE
SECOND REGULAR SESSION

Summary Of Legislation Before The Joint Standing Committees
July 2000

We are pleased to provide this summary of bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 2067 proposed to direct the State Court Administrator of the Administrative Office of the Courts to establish guidelines for and award contracts to providers of pretrial services. The bill proposed to ensure that alternatives to bail are provided for indigent defendants throughout the State.

Committee Amendment "A" (H-1070) proposed to replace the bill by establishing the Pretrial Services Fund within the Judicial Department. The amendment proposed that the State Court Administrator would award grants from the fund in amounts not exceeding \$20,000 to counties that apply and meet the criteria established by rules adopted by the State Court Administrator. The grants would have to be used to provide pretrial services. The State Court Administrator would have adopted rules to govern the program. The amendment proposed that the Fund would be repealed on July 1, 2002. The amendment proposed an appropriation of \$100,000 to fund the grants.
