ONE HUNDRED NINETEENTH LEGISLATURE
FIRST REGULAR SESSION

Summary Of Legislation Before The Joint Standing and Select Committees
August 1999

We are pleased to provide this summary of all bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 2087, which was carried over to the Second Regular Session, proposes to establish the Public Resources and Information for Maine Foundation (PRIME). PRIME would provide the State’s citizens with increased access to unbiased information about state government procedures, deliberations and public policy events to promote civic education and to stimulate public dialogue and public participation in State Government. It proposes an appropriation of \$100,000 for fiscal year 1999-00. The bill also would schedule the foundation for review under the State Government Evaluation Act in 2004.

LD 2092

An Act to Require Legislative Approval to Lease Certain Land to the Federal Government

LD 2092 proposed to require that the Legislature approve leasing of public land to the Federal Government. Leasing of public land to the Federal Government currently requires only the consent of the Governor and the Commissioner of Conservation. Under current law, the Legislature must approve all sales of public land to the Federal Government.

Committee Amendment "A" (H-363) proposed to clarify the bill's intent that the Legislature approve the leasing of certain lands to the Federal Government. In the absence of a requirement other than a simple majority, the bill did not need to state anything other than that legislative approval would be required.

Senate Amendment "A" (S-225) proposed to insert language into the bill that would clarify that any lease to the Federal Government requires the approval of the Legislature.

Enacted law summary

Public Law 1999, chapter 240 extends to the leasing of public land to the Federal Government a requirement that the lease must be approved by the Legislature in addition to the Governor and the Commissioner of Conservation, as was already required under the law. State law already required that all sales of public lands to the Federal Government be approved by the Legislature.
