**SECOND REGULAR SESSION**

**Summary Of Legislation Before The Joint Standing Committees**  
**July 2000**

We are pleased to provide this summary of bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

3. Increasing the level of confidentiality imposed on evidence presented relating to a ethics complaint against a legislator;
4. Permitting non-legislators to file complaints with the Commission on Governmental Ethics and Election Practices against members of the Legislature;
5. Removes provisions which provide legislators with recourse if a frivolous complaint is filed against them;
6. Repealing current provisions which state that House of Representatives or the Senate may take whatever action it deems appropriate in response to an alleged ethical violation on behalf of a legislator that is a member of that body; and
7. Provides the Commission on Governmental Ethics and Election Practices with greater flexibility when imposing penalties for campaign finance reports which are filed late.
