certain public assistance programs administered by the Department of Human Services. The Bureau of Revenue Services would also be required to conduct an outreach campaign to encourage people to apply for the Maine Residents Property Tax Program and provides for the electronic filing of those applications.

Committee Amendment "A" (H-648) would replace the bill and proposed that the unspent appropriations for the Maine Residents Property Tax Program would not lapse to the General Fund at the end of the fiscal year. The amendment would authorize the Bureau of Revenue Services to spend up to \$300,000 of surplus appropriations for outreach and require the bureau to adopt rules specifying the method for using those funds

Senate Amendment "A" to Committee Amendment "A" (S-425) proposed to require the Bureau of Revenue Services to conduct an outreach program within existing resources appropriated for the Maine Residents Property Tax Program.
