SECOND REGULAR SESSION

Summary Of Legislation Before The Joint Standing Committees
July 2000

We are pleased to provide this summary of bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 2217 was carried over from the First Regular Session. It was a concept draft pursuant to Joint Rule 208 and proposed to implement legislation to improve Androscoggin County. It proposed to:

1. Improve the infrastructure. In effecting this goal, the recommendations of the Downtown Initiative in the Department of Economic and Community Development focusing on how to revitalize downtown areas in Maine would be implemented;
2. Enhance existing businesses and encourage job growth. As part of this goal, the manufacture of a prefabricated industrial park, ready to be occupied by businesses, would be encouraged;
3. Attract high-tech and high-wage jobs. This would be partially accomplished through the appropriation of \$300,000 each to Central Maine Technical College and Lewiston-Auburn College;
4. Encourage and promote tourism, convention activities and special events by emphasizing and advertising Androscoggin County as a destination point for these activities. Additionally, the feasibility of a convention center, built to service the State, would be explored and developed; and
