Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the Joint Standing Committee on Appropriations and Financial Affairs during the 2nd Regular Session of the 119th Legislature. The summary describes each bill or order and relevant amendments as well as the final action. Also included is a statistical summary of bill activity by the committee. Please note the effective date for all non-emergency legislation enacted in the 2nd Regular Session (unless a later date is specified in a particular law) is August 11, 2000. Joint Orders are effective when passed.

The bill summaries for your committee also include 4 bills that, although discussed in work sessions, were never referred. LD's 2589, 2646, 2664 and 2692 were discussed as part of your committee process and are therefore included in this document for your information.
