Summary Of Legislation Before The Joint Standing Committees
August 2001

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Resolve, to Enhance Economic Development in Eastern Maine

ONTP

<u>Sponsor(s)</u> GOLDTHWAIT POVICH		<u>Committee Report</u> ONTP MAJ OTP MIN		<u>Amendments Adopted</u>
---	--	--	--	---------------------------

LD 997 proposed to establish the Commission to Promote Workforce Development in Eastern Maine. The bill also proposed to establish and fund 20 new positions within the Department of Public Safety, Maine Drug Enforcement Agency in eastern Maine to reduce the prevalence of illegal drug activity.

Committee Amendment "A" (S-87) was the minority amendment and proposed to amend Part A of the original resolve by changing the appointing authority for several study commission appointments and adding a 17th member of the study commission to represent the Maine Ambulatory Care Coalition. The amendment also proposed to amend Part B of the resolve by providing that the Director of the Maine Drug Enforcement Agency assign 20 new agents among the 3 counties specified in the legislation. The amendment also proposed to amend Part B with a new section that terminates the new positions after 2 years unless the Legislature acts to continue them. As proposed, the joint standing committee of the Legislature having jurisdiction over criminal justice matters would have been required to evaluate the effectiveness of the new positions in combating drug-related crime in the 3 counties and to recommend to the First Regular Session of the 121st Legislature whether or not to continue the 20 new positions beyond the termination date. The amendment also proposed to add a fiscal note. This amendment was not adopted.
