Summary Of Legislation Before The Joint Standing Committees
August 2001

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 1032

An Act to Allow Unexpended Balances in Funds Appropriated for a School Breakfast Incentive Grants Program to Carry Forward into Subsequent Years to be Used for School Breakfast Grants to Schools **DIED ON ADJOURNMENT**

<u>Sponsor(s)</u> SNOWE-MELLO	<u>Committee Report</u> OTP-AM	<u>Amendments Adopted</u> H-293
----------------------------------	-----------------------------------	------------------------------------

LD 1032 proposed to increase the state subsidy for public school food service programs per pupil to 3¢ with 1.5¢ dedicated to breakfast programs, and to require the Department of Education to examine food service program delivery to increase student participation rates. The bill also proposed to direct the department to establish a school breakfast program and to develop a pilot universal school lunch program.

Committee Amendment "A" (H-293) proposed to replace the bill. The amendment proposed to retroactively amend an appropriation for a school breakfast incentive grant program included in a 1999 supplemental budget to allow unexpended balances in that account to carry forward from year to year to be used for school breakfast incentive grants. Without this retroactive amendment, those unexpended balances would lapse to the General Fund. This amendment did not propose to appropriate any new money for that program.

LD 1043 proposed to establish the Maine Education Foundation and the Maine Education Endowment Fund to provide eligible Maine residents with the financial resources to access postsecondary education opportunities and achieve higher levels of educational attainment. The bill proposed to accomplish the following.

1. It establishes an 11-member board of directors to advise the Chief Executive Officer of the Maine Education Foundation on the operation of the foundation programs and investment of the endowment fund.
2. It provides that endowment funds be allocated to qualified institutions of higher education in the State and qualifying nonprofit corporations for the purpose of implementing a supplemental incentive grant program that targets these funds to a student's unmet need or supplemental education loan balance. These funds may not supplant scholarships, grants or other nonloan sources of financial assistance, but must be applied to an eligible student's unmet need or supplemental education loan balance.
3. It establishes an internship program for postsecondary education students with public and private sector organizations and institutions throughout the State. Students who participate in a qualified internship may be eligible for forgiveness of all or part of their student loans.
4. It authorizes the foundation to establish a clearinghouse for postsecondary education programs and student financial assistance, and to foster the leadership capacity of public and private sector agencies and
