121st Maine Legislature First Regular Session

Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Final action on each bill is noted to the right of the bill title. The abbreviations used for various categories of final action are as follows:

JOINT STANDING COMMITTEE ON APPROPRIATIONS AND FINANCIAL AFFAIRS

HP 772

JOINT ORDER, Joint Standing Committee on AFA shall undertake Study of the Fiscal Note Process

**REFERRED BY
THE HOUSE TO
THE RULES
COMMITTEE**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
LAVERRIERE-BOUCHER		

HP 772 proposes to require that the Joint Standing Committee on Appropriations and Financial Affairs would undertake a study of the fiscal note process, especially the process by which a department provides information about the cost of a bill before the Legislature and the potential adverse effect on that department. The committee would issue a report to the Legislature that details the method by which fiscal notes are determined. The committee would also determine a method to avoid this potential conflict of interest. The committee would submit its report and any necessary changes to the Maine Revised Statutes or Joint Rules to the Second Regular Session of the 121st Legislature no later than December 1, 2003.

HP 772 was referred by the House of Representatives to the Rules Committee for the purpose of reviewing the joint order. The Senate took no action on HP 772.
