121st Maine Legislature First Regular Session

Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 10 proposed to allow the Workers' Compensation Board to delegate to hearing officers the authority to hear and decide cases involving a request for an extension of benefits due to extreme financial hardship caused by the inability to return to gainful employment.

Committee Amendment "A" (H-62) proposed to clarify that the Workers' Compensation Board may delegate a decision on extension of benefits to a hearing officer or a panel of 3 hearing officers and that the decision to delegate such authority must be made on a case-by-case basis. It also proposed to provide that hearing officer decisions on this issue may not be appealed to the Workers' Compensation Board, but may be appealed directly to the Law Court like other hearing officer decisions.

Enacted Law Summary

Public Law 2003, chapter 52 allows the Workers' Compensation Board, on a case-by-case basis, to delegate to hearing officers the authority to hear and decide cases involving a request for an extension of benefits due to extreme financial hardship due to inability to return to gainful employment.
