121st Maine Legislature First Regular Session

Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

**PUBLIC 42
EMERGENCY**

LD 79

Under current law, the State Fire Marshal and the State Fire Marshal's deputy and investigators are granted the same enforcement power and duties as sheriffs have in their respective counties, except that those powers are limited to enforcement of laws, rules and ordinances concerned with issues such as fire prevention and arson. This bill proposed to remove this limitation.

Committee Amendment "A" (S-3) proposed to add an emergency preamble and emergency clause, which would immediately allow the State Fire Marshal and the State Fire Marshal's deputy and investigators to exercise their law enforcement powers for issues other than fire prevention and arson.

Enacted Law Summary

Public Law 2003, chapter 42 removes the limitation on the State Fire Marshal and the State Fire Marshal's deputy and investigators to enforcement of laws, rules and ordinances concerned only with issues such as fire prevention and arson. Public Law 2003, chapter 42 specifies that the State Fire Marshal and the State Fire Marshal's deputy and investigators have the same law enforcement powers and duties as sheriffs have in their respective counties.

Public Law 2003, chapter 42 was enacted as an emergency measure effective April 15, 2003.
