121st Maine Legislature First Regular Session

Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 162

An Act to Provide for the Fair Distribution of Resources for Teaching Students of Limited Proficiency in English

ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
ROTUNDO CRAVEN	ONTP	

LD 162 proposed to direct the Department of Education to use an enrollment-driven method to adjust the amount of general purpose aid subsidy that a school administrative unit would receive for the costs of providing a transitional instruction program for students of limited proficiency in English who are placed in a transitional instruction program using English as a 2nd language or bilingual techniques approved by the Commissioner of Education. The bill proposed to accomplish the following.

1. Beginning in fiscal year 2003-04, a school administrative unit would receive an adjustment to its state subsidy on a per capita basis for each student of limited proficiency in English placed in an approved transitional instruction program. State payments to school administrative units would be made during the year of allocation as a single payment.
2. The adjustment would be calculated using a weighted average student count with a 3-tiered differential weighting scheme based on the number of students placed in an approved transitional instruction program in the unit and the averaging of the 2 most recent student census counts.
3. The funds disbursed for this adjustment would be limited to the amount appropriated by the Legislature for this purpose and payments to units would be prorated if the amount appropriated is insufficient to make full payments to all units. If additional appropriations were not provided for this disbursement, the Department of Education would not redistribute existing appropriations for general purpose aid to local schools for this adjustment.
4. The Commissioner of Education would be directed to revise the forms provided to school administrative units and private schools so that the annual student counts required each school year could include the count of all students placed in an approved transitional instruction program beginning with the April 15, 2003 student count. The commissioner would also be directed to provide notice to all superintendents and private school principals that, beginning with the April 15, 2003 student count, each school administrative unit and private school would be required to specify the number of students placed in an approved transitional instruction program as part of the annual student counts.
