121st Maine Legislature First Regular Session

Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, <u>History and Final Disposition of Legislative Documents</u>, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 218

RESOLUTION, Proposing an Amendment to the Constitution of Maine to Stabilize Real Estate Valuation and Protect Ancestral Homes

ONTP

Sponsor(s)	Committee Report	Amendments Adopted
SULLIVAN	ONTP	_
MARTIN		

LD 218 was a concept draft that proposed to amend the Constitution of Maine to limit the ability of municipalities to increase the valuation of homes. The limitation would be achieved by establishing a baseline for property values using the value of the home in 1985. Unless there were major renovations to the home or the home was sold, the valuation would stay at the 1985 level. If a home remained in a family through inheritance, the town could adjust the value from generation to generation.

LD 219

An Act to Expand the Maine Residents Property Tax Program, the so-called "Circuit Breaker Program"

ONTP

Sponsor(s)	Committee Report	Amendments Adopted
EDER	ONTP	

LD 219 proposed to double the income limitation for benefits under the Maine Residents Property Tax Program to \$51,400 for single-member households and \$80,000 for households with 2 or more members. This bill would also raise the maximum allowable rebate from \$1,000 to \$3,000.

LD 246 An Act To Promote and Facilitate Personal Retirement Saving in Maine

ONTP

Sponsor(s)	Committee Report	Amendments Adopted
WOODBURY	ONTP	

LD 246 proposed a one-time income tax credit for certain federally qualified retirement savings contributions. The credit would range from 10% to 50% of up to \$500 of contributions that qualify for a federal credit. The percentage allowed would be the same as that allowed under the federal credit and decreases as the taxpayer's federal adjusted gross income increases. The credit would expire after 4 years.
