121st Maine Legislature First Regular Session

Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Joint Standing Committee on Judiciary

Enacted Law Summary

Public Law 2003, chapter 14 provides that a beneficiary in a will must, upon application to the register of probate, be furnished with a copy of the probated will upon payment of a fee of \$1 per page.

LD 168 **An Act To Allow a Municipality To Dispose of Unclaimed Bicycles
by Means in Addition to Public Auction** **PUBLIC 77**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
FISCHER KNEELAND	OTP-AM	H-80

LD 168 proposed to allow a municipality to adopt an ordinance that allows for the donation of abandoned bicycles to a charitable organization rather than sending the proceeds from the sale of the property to the State Treasurer according to abandoned property law.

Committee Amendment "A" (H-80) proposed to replace the language of the bill to authorize a municipality to dispose of unclaimed bicycles in any manner that the legislative body of the municipality decides is appropriate. Current law authorizes sale at a public auction, and the bill would have allowed donations to charitable organizations.

This amendment proposed to provide that the municipality is exempt from the Uniform Unclaimed Property Act with respect to unclaimed bicycles.

Enacted Law Summary

Public Law 2003, chapter 77 allows a municipality to dispose of unclaimed bicycles in any manner that the legislative body of the municipality decides is appropriate. It exempts municipalities from the Uniform Unclaimed Property Act with respect to unclaimed bicycles.

LD 234 **An Act To Create a Uniform Approach to the Determination of
Child Support When Parents Provide Substantially Equal Care for
Children** **PUBLIC 415**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
	OTP-AM MAJ	H-499
	OTP-AM MIN	

LD 234 proposed to provide a standard for the courts and the parties in cases in which the parents provide substantially equal parenting for the child but have unequal incomes.

Committee Amendment "A" (H-499) was the majority report of the committee. It proposed to add definitions for the terms used in the formula for calculating child support when the parents have unequal incomes but provide substantially equal care for the child. It also proposed to clarify that the child care costs, extraordinary

medical expenses and health insurance premiums are not included in the calculations, but are shared by the parties in proportion to their incomes.

Committee Amendment "B" (H-500) was the minority report of the committee. It differed from the majority report in that the enhanced basic support obligation, after being divided in proportion to the obligors' gross income, was divided so that each parent would end up with 1/2 of the enhanced amount in that parent's home. The higher income party's payment would be the enhanced support entitlement multiplied by the difference between that party's percentage of income and 50%. The obligation, however, would never be greater than it would be under the basic support obligation. (Not adopted)

Enacted Law Summary

Public Law 2003, chapter 415 provides a standard calculation for determining child support for the courts and the parties in cases in which the parents provide substantially equal parenting for the child but have unequal incomes.

LD 235 An Act Concerning the Treatment of Gross Income in Cases in PUBLIC 123 **Which Both Child Support and Spousal Support Are Considered**

<u>Sponsor(s)</u>		<u>Committee Report</u>		<u>Amendments Adopted</u>
		OTP		

LD 235 proposed to clarify that spousal support is not considered as part of the gross income of the recipient of child support in the computation of child support for the children of the marriage in an initial child support order and in any subsequent child support computation on an ensuing motion for children of that marriage.

Enacted Law Summary

Public Law 2003, chapter 123 clarifies that spousal support is not considered as part of the gross income of the recipient of child support in the computation of child support for the children of the marriage in an initial child support order and in any subsequent child support computation on an ensuing motion for children of that marriage.
