121st Maine Legislature First Regular Session

Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 251

An Act Concerning Tax-acquired Property

ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
GLYNN	ONTP	

LD 251 proposed to reduce the amount of residential property acquired by municipalities for nonpayment of taxes by establishing procedures for the development of payment plans both before and after residential property is acquired by a municipality if the person who is delinquent in payment of taxes or that person's surviving spouse continues to reside on the property. Municipalities would be required to establish procedures for payment plans and to notify persons who are delinquent of those procedures and the availability of property tax relief programs. The municipality would be permitted to set off against delinquent taxes amounts owed by the municipality to the person who is delinquent. A former owner or the former owner's surviving spouse would be permitted to buy back the property by payment of delinquent taxes, interest and costs at any time before the property is sold to a 3rd party. A municipality that sells a tax-acquired property would be required to pay the funds received in excess of delinquent taxes, interest and costs to the former owner or the former owner's surviving spouse or heirs. See also LD 937.
