121st Maine Legislature First Regular Session

Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Final action on each bill is noted to the right of the bill title. The abbreviations used for various categories of final action are as follows:

LD 277 **An Act to Amend the Eligibility Requirements for a Lobster and Crab Fishing License** **ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
ASH	ONTP MAJ OTP-AM MIN	

LD 277 proposed to provide that a person who previously held a lobster and crab fishing license was eligible for the same license without meeting the requirements of the apprentice program.

Committee Amendment "A" (H-331), the minority report of the Committee on Marine Resources proposed to replace the bill and allow the commissioner to waive the apprenticeship requirements for purchasing a lobster and crab fishing license for a person who held such a license in the past if the Lobster License Appeal Committee determined that the person failed to renew the previous license due to extraordinary circumstances, such as poor health, military service, financial hardship or inability to find work under the apprentice program. This amendment included a sunset provision that repealed these provisions on July 1, 2008. (Not adopted)

House Amendment "A" to Committee Amendment "A" (H-343) proposed to do the following.

1. Specify that a person for whom the apprenticeship requirement was waived by the Commissioner of Marine Resources would be placed at the end of the waiting list for the lobster fishing zone and behind any person currently in the apprentice program.
2. Amend the membership of the Lobster License Appeal Committee established in Committee Amendment "A" to allow former Legislators who were members of the joint standing committee of the Legislature having jurisdiction over marine resources matters to be members of the Lobster License Appeal Committee.
