121st Maine Legislature First Regular Session

Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Final action on each bill is noted to the right of the bill title. The abbreviations used for various categories of final action are as follows:

**RESOLUTION, Proposing an Amendment to the Constitution of
Maine to Reduce the Size of the Legislature Beginning in 2005**

ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
RICHARDSON M DAVIS P	ONTP MAJ OTP-AM MIN	

LD 310 proposed a constitutional amendment to reduce the size of the House of Representatives from 151 members to 99 members and the size of the Senate from no more than 35 members to 33 members. Under the proposed bill, the redistricting would have been done in 2004 during the Second Regular Session of the 121st Legislature and the reduction in the size of each legislative body would have taken effect in 2005.

Committee Amendment "A" (H-223) was the minority report and incorporated a fiscal note. This amendment was not adopted.

House Amendment "A" (H-272) proposed to reduce the size of the Maine Senate to 23 Senators to reflect the proportionate reduction of the House of Representatives proposed in the original resolution. This amendment was not adopted.
