### 121st Maine Legislature First Regular Session

#### Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

LD 301 proposed to allow residents 65 years of age and older to audit courses at any state postsecondary educational institution free of tuition charges. Under the proposed bill, individuals would be allowed to audit only if space is available, as tuition-paying students have priority in the case of limited class size.

BRENNAN KANE	OTP-AM	S-71

LD 326 proposed to increase the number of foster care residents who are eligible for a tuition waiver at a state postsecondary educational institution from 25 to 35 new students per year in each year.

**Committee Amendment "A" (S-71)** proposed to strike and replace the bill. The amendment proposed to increase the number of foster care residents who are eligible for a tuition waiver at state postsecondary educational institutions from 25 to 30 new students per year in each year, whereas the bill proposed to increase the number to 35. The amendment also proposed to clarify that the 5 additional tuition waivers must be available to eligible persons at state postsecondary educational institutions as follows:

1. Three must be available to eligible persons at the University of Maine System; and
2. Two must be available to eligible persons at the Maine Community College System.

The amendment also proposed to add an emergency preamble and an emergency clause to the bill.
