121st Maine Legislature First Regular Session

Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

<u>Sponsor(s)</u> MCGLOCKLIN BRYANT		<u>Committee Report</u>		<u>Amendments Adopted</u>

LD 388 proposed to allow the Department of Inland Fisheries and Wildlife to authorize a private landowner owning a continuous piece of property that is greater than 500 acres and located entirely within unorganized territory to open that property on Sunday to hunters who have permits to hunt on Sunday. It would not allow the Commissioner of Inland Fisheries and Wildlife to authorize private property for Sunday hunting if the property owner did not keep that property open to hunting by the public. It would allow the commissioner to issue Sunday hunting permits to hunt rabbit and grouse on authorized private property during the regular open season. It would not allow the commissioner to authorize private property for Sunday hunting if that property adjoins certain public property. The bill proposed to make the fee for a Sunday hunting permit \$15.

The bill proposed to set an effective date of January 1, 2004 and a repeal date of January 1, 2006.
