121st Maine Legislature First Regular Session

Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Enacted Law Summary

Public Law 2003, chapter 89 allows an employee of a manufactured housing dealer or owner of a manufactured housing dealership to install oil tanks in housing sold by the dealer or dealership if the employee or owner is the named corecipient of a joint limited license issued for this limited purpose. The joint limited license requires the named employee or owner to complete 4 hours of training, and is revoked upon that employee's termination from the dealer's employ or the owner's dealership ceasing to operate as a manufactured housing dealer.
