121st Maine Legislature First Regular Session

Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

PUBLIC 88

<u>Sponsor(s)</u> MAIETTA		<u>Committee Report</u> OTP-AM		<u>Amendments Adopted</u> H-79
------------------------------	--	-----------------------------------	--	-----------------------------------

LD 519 proposed to require testing for blood-borne pathogens when a public safety or health care employee is exposed to the blood or body fluids of another person in the course of employment. It proposed to establish the new procedures as an exception to the general rule requiring judicial consent for a blood-borne pathogen test. The bill proposed to direct the Department of Human Services to adopt rules for testing in the same manner as testing for operating a motor vehicle under the influence of alcohol or drugs. The bill proposed to designate the rules as routine technical rules.

Committee Amendment "A" (H-79) proposed to replace, and require the court to schedule an expedited hearing on the petition for judicial consent to test the source of body fluids associated with a bona fide occupational exposure.

Enacted Law Summary

Public Law 2003, chapter 88 requires the court to schedule an expedited hearing on the petition for judicial consent to test the source of body fluids associated with a bona fide occupational exposure.
