121st Maine Legislature First Regular Session

Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Enacted Law Summary

Public Law 2003, chapter 56 encourages each political subdivision and school administrative unit to observe a Maine Week of Heroes, during the week within which September 11th occurs, to honor the efforts of heroic people in Maine communities.

LD 499 **An Act To Allow a Parent To Choose Not To Vaccinate a Child
against Chicken Pox for School Attendance** **ONTP**

<u>Sponsor(s)</u> MCNEIL		<u>Committee Report</u> ONTP		<u>Amendments Adopted</u>
-----------------------------	--	---------------------------------	--	---------------------------

LD 499 proposed to allow a parent to choose not to immunize a child against chicken pox, which is a requirement for enrollment in elementary and secondary school in the State effective for the start of 2003 school year.

LD 527 **An Act To Improve the Method of Reapportionment of School
Boards** **PUBLIC 57
EMERGENCY**

<u>Sponsor(s)</u> NUTTING GAGNON		<u>Committee Report</u> OTP		<u>Amendments Adopted</u>
--	--	--------------------------------	--	---------------------------

LD 527 proposed to provide additional options to the board of directors of a school administrative district that is instituting an approved reapportionment plan that requires a reduction in the number of directors to be elected to represent a member municipality. Under current law, if a school administrative district requires reapportionment that results in a reduction in the number of directors, all of the directors choose by lot which directors' terms terminate. To avoid the necessity of the existing directors representing the municipality having to cast lots to determine which director or directors position should be terminated in accordance with the reapportionment plan, the bill proposed to allow one or more directors to voluntarily resign to achieve the necessary reduction and proposed to allow the municipality to reduce the number of open positions prior to election.

Enacted Law Summary

Public Law 2003, chapter 57 provides two additional options to the board of directors of a school administrative district that is instituting an approved reapportionment plan that requires a reduction in the number of directors to be elected to represent a member municipality. To avoid the necessity of the existing directors representing the municipality having to cast lots to determine which director or directors position shall terminate in accordance with the reapportionment plan, the law allows one or more directors to voluntarily resign to achieve the necessary reduction and allows the municipality to reduce the number of open positions prior to election.

Public Law 2003, chapter 57 was enacted as an emergency measure effective April 18, 2003.
